

```
1 public class BadSemicolon
2 {
3     public static void main(String[] args)
4     {
5         int a=5;
6
7         if(a==7);
8         System.out.print("CAT ");
9
10        System.out.println("DOG ");
11    }
12 }
13
```
